ABDSM 2020 DIPLOMATE EXAM

COVID-19 Impact on Exam Activities

(LISLE, IL, March 16, 2020) The ABDSM 2020 exam window has been moved to September 6-20, 2020.

The ABDSM has been closely monitoring updates and recommendations related to the spread of COVID-19, as well as the impact on Kryterion Testing Centers, which provides proctored exams at locations around the world.

The ABDSM Board of Directors has decided to delay administration of the exam. The Board remains committed to providing a positive testing experience for all candidates and will continue to monitor the situation and advice from health officials should further changes to the exam window become necessary.

No action is currently required.

- ABDSM staff and Kryterion Testing Centers are working out the logistics of changing the examination window from May to September.
- ABDSM staff will send you further communication later this week with the specific steps you should follow to reschedule your examination.

Thank you for your patience and understanding. Contact info@abdsm.org with any questions you may have.
